Location Remote work

Frontend developer and UI/UX designer with 3 years of commercial development experience. I am passionate about creating value for businesses and have strong skills in designing and developing AAA interfaces. I thrive in fast-paced environments, enjoy frequently releasing new features, and quickly adapt to new technologies.

WORK EXPERIENCE

Heart Clinic | Frontend Developer (September 2024 – January 2025)

Technologies: React, Next.js, Chakra UI, WhatsApp API

Results:

- Simplified the online booking system, increasing conversion rates by 25%.
- Added specialist profiles, filtering, and sorting for services, leading to a 20% increase in user retention and a 30% boost in user engagement.
- Migrated the application to Next.js, improving page load speed by 40%.

Monocure | Frontend developer(March 2024 – September 2024)

Technologies: React, TypeScript, Next.js, Chakra UI, Express

Results:

- Developed an SEO-optimized website, resulting in a 15% sales increase within a month and 30% after three months.
- Improved UX and site loading speed, leading to a 15% increase in conversion rate.
- Implemented a multilingual interface to expand into new markets.
- Developed an automated customer communication system, boosting conversions.

Easy-site | Frontend developer (March 2023 – March 2024)

Technologies: TypeScript, Next.js, Tailwind CSS, Zustand, Prisma, NextAuth, Jest

Results:

- Developed the Kaiser app for scheduling client product demo sessions.
- Built two websites.

Doctor Slon | Designer & Layout Developer (March 2022 – March 2023)

Technologies: HTML, SCSS, JavaScript

Results:

- Developed 100+ pages for promotional campaigns, content articles, and product listings.
- Improved product interface by adding an image slider, stock availability display, and popular product tags.

SKILLS

Languages & Frameworks: TypeScript, React, Next.js, Vite, Redux, Zustand, Jotai, Chakra UI, Tailwind, Webpack

Additional Skills: Responsive & cross-browser design, basic backend (Express, REST API)

Soft Skills:

- Excellent communication skills
- Proactive in suggesting product improvements
- Strong problem-solving abilities and ability to work independently

EDUCATION

UX/UI Design | Bureau Gorbunov School of Designers (2022 – 2023)
